

Contributing Author's Consent to Publish Consensus Report

The AAPS Consensus Report Review and Publishing Guidelines require that a contributing author for a workshop report, consensus document, white paper, or any other written document that is intended to summarize the major findings and content of a meeting or educational program in any format, sponsored in whole or in part by AAPS, confirm that the details, outcomes, and conclusions within the submitted Consensus Report are an accurate representation of the discussion and conclusions of the event.

The AAPS Consensus Report Review and Publishing Guidelines can be reviewed at <http://www.aapspharmaceutica.com/inside/refguide/ConsensusReport-2007.pdf>
