

SECTION CONNECTION

The Section Connection is intended to serve as a conduit for the exchange of information between the AAPS Executive Council (EC) and AAPS Sections. The information will be assembled by Staff and the EC Member-at-Large Section Liaison following each EC meeting to provide a summary of pertinent actions that are relevant to Section leaders. Likewise, the Member-at-Large will transmit important Sectional information to the EC and use the Section Connection as the recording mechanism of Section interests shared with the EC.
